The Texas legislature enacted House Bill 638 to be implemented by the fall semester 1990. This law amends the Education code and requires higher education institutions to aid faculty members requiring assistance to become proficient in the use of the English language. The Texas Higher Education Coordinating Board is charged with approving and monitoring the program established by each institution.

One part of the compliance process is to determine whether or not English is the primary language of each teaching faculty member, tutor, teaching and laboratory assistant with responsibility for teaching academic credit courses. Employees whose primary language is not English must successfully pass an English proficiency test.

Please consider the questions below and provide the best answer that identifies your primary language. This statement will be maintained permanently in the college Human Resources office in compliance with House Bill 638. If English is not your primary language, you must contact the Director of Testing and Assessment, Central Park Campus, room B222, phone number (972) 548-6773, to schedule a time to take the "SPEAK" test and to have this form signed.
