ANTERIOR ASPECT
1. Head
2. Body
3. Tail
4. Attachment of transverse mesocolon
5. Common bile duct
6. Principal pancreatic duct (Wirsung’s)
7. Accessory pancreatic duct (Santorini’s)

POSTERIOR ASPECT
8. Lingula (uncinate) process
9. Portal vein
10. Superior mesenteric vein
11. Inferior mesenteric vein
12. Splenic vein
13. Splenic artery
14. Superior (dorsal) pancreatic artery
15. Great pancreatic artery
16. Transverse (inferior) pancreatic artery
